President's Corner

Happy July to all LVE residents. Our pool was opened for Memorial Day. Unfortunately, the weather so far has not been cooperating. Better pool days are coming.

I hope all residents had a wonderful Memorial Day with family and friends. I also hope we all remember the men and women who made the ultimate sacrifice so we can enjoy all holidays as a free nation.

Barton Hall's roof has been completed and Capital Metals, along with All Good Construction, will now be replacing siding and roofs as needed.

The Board is still waiting to hear from MUA regarding excessive water use and leaking valves and/or lines. The Board will keep residents updated when we know more.

This will be my last President's Corner as your Board President. I have decided not to seek re-election to the Board. I have served as a Trustee for just south of 9 years on many previous Boards and I'm not getting any younger. If any resident is getting younger please contact me ASAP. All kidding aside, it has been an honor to serve all LVE residents. I have met many residents due to being on the Board that I would not have normally met and I am thankful for that opportunity. So in closing, I want to thank all residents for having the faith in me to represent you as Trustee, Vice-President and President. Thank you again and God bless you all and our wonderful village.

*Sincerely, Howard E. Brown,
President LVE Board of Trustees*

Manager's Corner

By the time you're reading this all the flowers have been planted around the village and the pool was also completed. I hope you're enjoying the beautiful pool area looking over Lake Vista. The hot dog cart is great, thank you Wayne Tutzauer & volunteers for all your time, hard work and organization.

The re-roofing and siding project should be well underway on Balmoral Court and Thornhill Court. When they finish, we should have 24-30 buildings completed. The storage area behind Barton Hall is completed along with the entire concrete area. The new roof at Barton Hall has also been completed. Thank you for your patience during these projects. Wishing you all the best summer!

Thank You

A special Thank You to Jerry Duffield and the members of the Woodworking Shop for the new coyotes figures around the 3 lakes. Of course, the purpose is to scare the geese and urge them to find new homes at another location.

Job Well Done Jerry!!!

Hot Diggity Dawgs - We're Back

In case you haven't heard the weekend One Call announcements, or have not yet been to the pool, the hot dog cart is now open for business. You can find us on the upper pool deck, Friday, Saturday, and Sunday from noon until 3PM (hours are approximate) - or until we run out.

We serve only Sabrette, 100% beef hot dogs, with red onions and/or sauerkraut, on a steamed, Martin's Potato Roll, for \$2.00. Chips, ice cold soda, and water are available for \$1.00. The "upper deck special" will get you two hot dogs, a soda, and a bag of chips for \$5.00.

Be sure to mark your calendars for Friday, July 4. For one day only, we're bringing back an LVE favorite: sausage, peppers, and onions. This time we're preparing enough so that no one is disappointed. Our hours will be 12 noon until 4PM.

Weather is always an issue. If we're not dealing with gale force winds or a hurricane, we'll raise the tent, even when the pool is closed. One Call alerts will let you know if we are open or dosed.

As always, we rely on volunteers to staff the cart. If you have a couple of hours to spare and enjoy a free lunch, please sign up at Barton Hall.

Wayne Tutzauer, Entertainment Committee

Area Rep/Round Table

Happy 4th of July!! This holiday always conjures up such happy memories growing up in Leonardo, NJ. We would have friends over for the big cookout. My sister and I would be in charge of making countless number of hamburgers. They would be made from fresh meat from the butcher. In those days we could put a pinch of salt on the fresh meat and have a bite, not so these days for sure. I remember everyone brought fresh home made foods, salads and desserts. We would all play badminton, horse shoes and Marco Polo, which I believe is one of everyone's favorite water game right here in LVE. Then we would all drive down to Ideal Beach and watch the fireworks. Those days always seemed so endless and you would think now that I'm older and retired that the days would be longer but, I swear, each day seems to get shorter.

I am thankful for all the men and women who fought and lost their lives for our freedom. In WWII 405,399 soldiers were lost, Korean War 36,000 and Vietnam War 58,220. Not to mention all the other wars and conflicts that so many more soldiers lost their lives. So a big thank you for their bravery so that we can enjoy our freedom today. As of this writing the 6/4 round table for Creative Budget Thinking, the 6/11 New Residents Round Table and the 6/12 Ocean County Senior Service Mobile unit have not yet come along. I will have lots to report in the August issue since I'm writing this in May for the July issue so stay tuned and I will certainly report back to you then. What I can write is the upcoming elections information. The bios had to be returned to the Administration office by 5/30, Candidate night was held on 6/16 where we had an opportunity to meet the residents running this year and hear what they had to say and why they wanted to be on the Board. Every votes counts, you will have an opportunity to change your vote on 7/22 in Barton Hall at 7 PM. The votes will be counted on 7/23 at 8:30 AM and the winners will be announced at the open meeting that evening. Once it is announced the trustees go into the Resident Lounge where they will vote the next four officers, the remaining three will be Board Trustees. Remember that only residents in good standing will be able to cast their vote. To explain, not in good standing is someone who has any open balance more than 60 days.

I have had the opportunity and pleasure to be on the board for the last two years and found so much satisfaction making decisions that keep our beautiful village running smoothly and will continue to do so until the end my tenure next year. We will have the second Creative Budget Round Table in the fall as a followup to this one in June, this will give us time

to explore some of the ideas that came with the first round table. Stay safe out there, summer is here and a bit more crazy traffic to deal with. Lots to do outside like biking, walking and fun outdoor activities so just be careful of trips and falls.

As always, I hope to see you around our beautiful village.

Candidate's Running for Office

Karen Erenler

Hi, my name is Karen Erenler and I lived in Clifton/Paterson condo association before moving to LVE. While living there I was on the Board and served as the treasurer for 5 years. I moved to LVE in 2022 and I would very much like to be more involved in the village.

Steven Florio

My name is Steve Florio and I am pleased to submit myself in consideration for re-election to the Leisure Village East, Board of Trustees.

I have been a resident of Leisure Village East since November 2020, when my wife of 44 years and I relocated from our family home

in Lyndhurst, New Jersey. I was born and raised in North Bergen, NJ where I played baseball for 9 years and was a graduate of the North Bergen High School, Class of 1975. I met my wife of 44 years, Eileen Florio (nee O'Neill) in grammar school and high school and we married in 1980. We moved to Lyndhurst shortly thereafter when we started our family and lived there for 36 years. We have two amazing daughters, and sons-in-law; Danielle Valentin and her husband John of Keyport, New Jersey, and our daughter Meghan Reilly and her husband Michael of Frisco, Texas. We are excited for the arrival of our first granddaughter later this summer.

While raising our family, I worked in the New York City area as a truck driver for 35 years for Apex Trucking, where I delivered and installed Xerox machines. I was also fortunate to serve as a shop steward for the Teamsters Local 807. When I retired in 2010, I remained an independent contractor for Xerox and now travel the country overseeing the installation of large commercial and industrial printing applications. I thoroughly enjoyed traveling into the City for several decades, going up in the massive skyscrapers and would sometimes work in the World Trade Center as often as 3-5 times each week. Unfortunately, this also led to me being in some dangerous situations, as I was

inside the World Trade Center during the bombing in 1993, and inside 7 World Trade Center on September 11, 2001.

I am an avid sports fan, particularly the Mets, Giants, and the Rangers. I have been a Ranger season ticket holder since 1979 and love to see the games at Madison Square Garden as often as I can. I love the beach in the summer weather and often travel with my family, at least once a year, to vacation in Wildwood, NJ. Over the past ten years my family and I have also found a little slice of heaven in the Caribbean and have visited Aruba eight times. My wife and I are looking forward to our first cruise to Alaska later this year.

Since we moved to Leisure Village East in 2020, we have come to enjoy many of the amenities the community has to offer, particularly, the pool, wide variety of activities and clubs, as well as the opportunities to stay active and meet new people.

Serving on the Board of Trustees this past year has allowed me to meet many new people, and be an advocate for the residents of Leisure Village East during board meetings and on the pool and parking committees. I would enthusiastically welcome the opportunity to be re-elected to the Board and continue the progress that we have made over the past year. I look forward to meeting you and talking more about how we can make our community even better.

Sharon Mortenson

I was born and raised in Staten Island, New York, residing in the house my mother took me home from the hospital for nearly 60 years.

At the age of 17 through 26, I had a Civil Service job at Willowbrook State School as secretary to the Food Administrator. I also, at the age of 18, was elected shop steward for Local 427 of the Civil Service Employees Association (C.S.E.A.) for the Food Service Department with more than 350 employees.

Between those years I had 2 children and decided to be a stay-at-home mom at the age of 26.

By the age of 30, I worked as a legal secretary for 6 years. It was then I decided to start up my own business.

Continued on page 7

Candidate's Running for Office

With a 10th grade education and \$200.00 I established At Your Service Process Servers for 30 years; not only turning that \$200.00 into an upper six figure business, but also was the largest process serving company in Staten Island servicing all 5 boroughs in New York City.

I operated my successful business as an honest and trustworthy company ALWAYS putting my customers first and getting the job done.

My goal is to provide each LVE resident an opportunity to express their concerns so I can get to the root and together we can strive for a successful solution.

Suzanne Rafter

I have been a retired CPA for over 10 years. Prior to retiring, I worked for 11 years in the accounting departments of various financial institutions as an Accountant, Accounting Manager, and Comptroller. I also worked at KPMG, one of the four largest auditing firms in the world, for 19 years as a federal income tax professional.

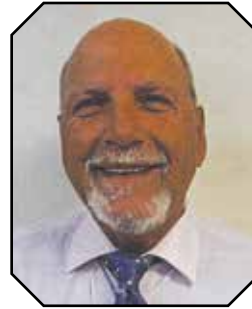

I was elected to the Leisure Village East Board of Trustees in June of 2015 and served as treasurer for almost six years. I was elected again in June of 2022, and I am currently serving as the treasurer.

My responsibilities as treasurer include:

- Reviewing the financial records for accuracy,
- Reviewing LVE's Member delinquency reports and working with LVE's real estate coordinator and legal counsel to ensure that LVE collects as much of the delinquency as possible,
- Appropriately investing LVE's funds,
- Preparing the annual budget,
- Managing LVE's reserve fund to ensure that it is adequately funded,
- Reviewing the federal corporate income tax return prepared by LVE's auditors for accuracy, and
- Serving as the liaison to the Audit and Accounts Receivable Committees.

I look forward to serving on the Board of Trustees again and believe that my business experience as well as my experience on the Board will be an asset to the Association and ask that you consider me for the position.

Robert Scherer

My name is Robert Scherer, I have been a resident here at LVE for 7 years. I am currently retired. I worked 30 years in the banking industry (1974-2004). I also was the general manager of a very successful restaurant in Monmouth County for 18 years (2006-2024). I had the honor of serving as a member of the Brick Township Planning Board for 18 years (1982-2000). I served as the chairman for 16 years (1984-2000). I also served on the Board of Directors of a non-profit charity called "a need we feed". This was a rewarding experience to assist those that were in need of food, including veterans throughout Ocean and Monmouth counties.

I am currently a committee member of the Italian American Club here at LVE. I also serve as Treasurer of both the Heritage Club and Men's Golf League here at LVE. My hobbies include sports, golf and enjoying time with my two grandsons. I will be committed to serve as a Trustee and hope that the residents of LVE will consider me to represent each of you, as a Board Member.

My Dinner With Paul

The celebrity that I would most like to have dinner with is Paul McCartney. Anyone who knows me knows that's no surprise. Of course, his wife, Nancy, would be included. Also, on the the guest list would be a certain friend of mine who is just as crazy about Paul as I am. She knows who she is.

Of course, it would have to be a strictly vegetarian menu. I'm thinking an informal barbecue with "Impossible" hamburgers and hotdogs that have no meat. Roasted veggies and corn on the cob would also be good. Dessert would be something chocolate.

There are so many questions that I would like to ask him that I wouldn't know where to start. I would love to ask him what TV shows he watches and what books he likes. I would also like to ask him how the heck he got away with recording "Mary Had a Little Lamb". He really did in 1972. Most of all, I would like to ask him what inspired him to write some of his most famous songs. I don't think I could ask him anything too personal except how his kids and grands are doing.

Actually, if I actually did meet him, I would be too stunned to speak.

If I Had a Chance To Lunch With A Celebrity, Who Would It Be?

By Flora Roche

As this opportunity can never be realized, I have no problem choosing from the realm of imagination. I would have to go back to an earlier day, and wish a more mature age for me than what I was at the time. I would love to sit alone and dine with none other than John Fitzgerald Kennedy.

What is it that would make me gravitate to the great Kennedy? It is his smile; his laughter. If you know me, you won't be surprised. I am in my element when surrounded with laughter. He was highly intelligent with a keen sense of responsibility. John

Kennedy was reared with the opportunities most of us can only dream of. He wasn't afraid to be himself in public. He was a war hero, dignified, gentlemanly, mischievous, well educated and intelligent without the air of superior condescension. He had a warmth about him that would occasionally disarm his critics.

Mr. Kennedy came from a large Irish family; they actually played together. Success was expected of them. They laughed and cried together. I admire that. No family is perfect, yet the public expected them to be. To know that I spent so much as a lunchtime with such a powerful, exciting human being as he, would be the dream of a lifetime.

Dinner With My Celebrity Choice

Gregory Peck. I was first thinking of Cary Grant but no it would have to be Gregory Peck. I will tell you a short story why.

When I was a young teenager of 13, I worked in Framingham, Massachusetts at St Patrick's Manor, a home for the aged and infirmed. My Aunt was a Carmelite nun there and brought a cousin and myself there for a few years as help in the summer. We set tables, offered companionship to the residents, ushered them around, and various other duties for their benefit. During these times we became very friendly with a lady resident named Mrs Turner. Her husband was lost at sea off the coast of New Bedford, MA on a whaling ship. Above the fire place mantel in her room was a beautiful painting of a similar ship. Listening to her tales of those days gone by were mesmerizing.

It came to pass that the movie, Moby Dick, premiered in nearby New Bedford and a huge celebratory parade with Gregory Peck as The Grand Marshal was held. Mrs Turner invited us to be her guest at the parade. Off we went on a bus to the site where hundreds of people were lined up for the festivities. We had a front row view as Mrs Turner elbowed her way through the crowds with us in tow right to the curb side.

Walking in the lead down the wide avenue came Mr. Peck along with the floats and bands. He was waving to all and as he passed by me he slowed down. Looking directly at me, he gave me a huge smile and thumbs up saying, he loved the color of my dress which was red, my favorite color and obviously his.

Continued on page 15

MEMOIR WRITING CIRCLE from page 14

So you can see why he is my choice to have dinner with. How I would love to tell him how happy he made my day with his amazing gesture by taking his time to acknowledge this 13 years old! He touched my heart. Today I wear a smile that he left with me. I treasure that moment in time.

*Thank you, Sir.

Dinner With Ben

"Behind every great man stands a woman, and behind every great nation, there are wise and courageous women who shape its destiny."

Benjamin Franklin

If I were to choose someone famous to have dinner with, I would choose Benjamin Franklin. I have always been impressed with all he accomplished in his lifetime. Not only was he an important founding father, he was an exciting Renaissance Man. He excelled in politics, science, the arts, inventing, publishing, etc. He was also a dedicated civil servant.

The main reason I would choose Ben as a person to enjoy a meal with, is because he loved and respected women. There would be endless things to talk about and I am sure he would be his charming, witty, flirty self.

We would go to Me Gillins Olde Ale House in Philadelphia. I would ask him things like what is your proudest moment, what were you disappointed in, what were the other founding fathers really like?

Something else I always wondered, was he ever scared during the Revolution of what could happen to him if the British won?

I would be most interested in his experiences in France as an Ambassador. He accomplished major things there that helped to win the Revolution. He also had quite a reputation as a womanizer there.

I am sure he would have many stories to tell, but he wouldn't tell it all. I would be very disappointed if he didn't flirt with me.

I, in turn, would bring Ben up to date on life as it is now in this world as it relates to how it was in his time. I would tell him we still have a democracy and that the Constitution still stands. I would remind him of one of his quotes:

"Change is the only constant in life. One's ability to adapt to those changes will determine your success in life."

Elaine Carty

"If I had my way, I'd remove January from the calendar altogether and have an extra July instead."
Roald Dahl

Happy July everyone! The Choristers are now on hiatus for the months of July and August. We have the tools to practice our music. Steve puts our songs on you tube and gives us a cd so we can practice on our own. We return to rehearsals on September 2nd. We will then fine tune the songs we learned from April to June to prepare for our concerts on Saturday, November 15th at 7 pm and Sunday, November 16th at 2 pm.

The pool is now open, hot dogs are for sale, bocce, shuffleboard, and corn hole are being played, and there are endless sidewalks for walking. All of this gives us plenty of reasons to be outside and socializing. So get out and enjoy the warm weather and appreciate our beautiful Village and our neighbor's gardens.

"America to me is freedom." *Willie Nelson*

Have a wonderful Fourth of July! Think about all of the reasons we are free to celebrate the very special holiday.

Singing with you and for you, Elaine Carty

We hope everyone is enjoying the summer, swimming and doing outdoor activities. This is also a time that nutrition club (as many other clubs) are taking a break. We will be back in September.

Shuffleboard Club

Outdoor Shuffleboard is here. New members are accepted all season. Arrive at the courts, at 6:15 pm. We assign you a lane. We will start playing at 6:30.

The dues for the whole season are only \$5. You can pay your dues when you arrive for your first game.

We welcome new players. Experienced players will teach you how to play the game. We also have 50/50s each week. The 50/50 is voluntary, but the odds are really good.

The season is every Monday now until the end of August. The courts are to the right of the pool and the bocce courts.

Bernard Sharkey

Indoor Shuffleboard

Our new season will begin on September 19th at 6:30PM and will continue for twelve weeks.

We have a lot of fun and look forward to a good turnout. Our winners from our last session were 1st place Pat Pasqualetto, 2nd place Marybeth Sharkey and 3rd place Tom Mase. Our dues are \$5.00 for the twelve week session so come out and join us in the gameroom at Barton Hall.

Alive and Kicking

There is a bug resurfacing all over the nation. Once bitten there is no cure. It's called Line Dancing. The symptoms are the uncontrollable urge to Grapevine (Left) and (Right) to Jazz Box and to Shimmy

There are more side effects, like singing country songs, buying boots and cowboy hats.

According to dance instructors, practice and laughter seem to help. Come see us Monday nights at 7:00PM at Barton Hall. We can help you with your condition.

The Pine Cone Club would like to thank all those who participated in our events so far this year. There will be no meetings in July and August. However, mark your calendar for a great end-of-summer celebration on September 18 - our delicious Fish Fry. No cooking, no clean-up, just great food. A win-win. More information to follow. Also, don't forget about our Fall Flea Market on October 18. Take some time over the summer to declutter and find some things to donate to the Pine Cone table.

We wish everyone a festive 4th of July holiday.

It has been said that golfing with friends is the best form of exercise. It is the chance to enjoy the outdoors and spend time with friends while being active. It has also been said that the secret to a successful retirement is to keep hitting the greens instead of the couch.

Who has said all this? I don't know, I found it on Facebook ! But those of us in Ladies Golf, who have braved the rain, fog, and heat because we have loved the game (and have become addicted to it) have found out that these statements are true. (Sometimes you can find true statements on Facebook) You too can witness the truth! Join us. We have all become good friends while being active. Contact me. We can teach you and even supply you with clubs.

Quilters Corner

“Friendship is sewn with love and measured by kindness”

Hope all our Village residents are having a wonderful summer.

May 16th was our pizza party. Cheryl from Ascend Hospice joined us and was presented with 133 lap quilts, 16 crochet afghans and 6 small afghans. The afghans were crocheted by one of our talented and generous members. We all feel so blessed to be a part of the quilters and are helping to bring smiles to the patients. As of 2001 the quilters have donated 5,408 quilts and afghans.

We are taking the summer off and will be back in September. See our article in the August Leisure Times for the date. Hope to see new members. We will be anxious to get back to work with this great group.

In case you need a little down time, there is a very inspiring short documentary on Max Netflix call “The Quilter’s.” It’s about a group of prisoners in Missouri who make gorgeous quilts for foster children. Check it out!

Have a safe and Happy 4th of July.

Beach & Pool Scenes

It's summer time and a great time to get some shots at the beach and pool. On crowded beaches you can shoot the people, activities, and colorful umbrellas. On remote beaches you can look for wildlife, patterns in the sand, or great cloud formations against the water. There's always sunrise images early in the morning. Don't forget sunscreen and a hat!

The challenge with beach shots is getting the proper exposure. Your camera is designed to give you an average exposure of the entire scene. This is why most of your images are properly exposed. A very bright scene tricks your camera into thinking there is too much light, so the camera will cut back on exposure. To compensate you should increase the exposure slightly. If your camera has "scene" modes, use the one for snow or beach.

A great way to enhance your images is using a polarizing filter, which cuts glare the same as polarizing sunglasses. Many photographers use this filter to make the sky in their images darker (and the clouds brighter) but this filter works wonderfully to show the detail in the sand and to remove the

reflections in the water. This also works well for images around the pool.

That's it for this month. Send me an email at bill@kirmsphotography.com if you have any photographic questions. You can visit my web site, www.kirmsphotography.com, if you'd like to see more of my images. Keep shooting and trying to improve your images, but most importantly, have fun with your camera.
